## Gospel Church Slates Sunday Singing

A singingspiration, sponsored by the Centinela district, will be held at the Foursquare Gospel Church, 1207 El Prado, from 8 to 4 o'clock Sunday afternoon, as a part of youth observances.

Group singing will be led by Archie Bell, with musical representatives of various churches competing for radio and TV programs.

Rev. Loran Callan, minister of service of Angelus Temple, and his Five Sharps, a trumpet quintette, will present several numbers.

Colored slides and a lecture on "the nomads of the long bow," the Siriono savages of Bolivia, will be presented at the Foursquare Gospel Church, 1207 El Prado, at 7:30 p.m. Sunday, by Dr. Harold Chalfant.

The international director of youth and Christian education for Foursquare churches, Dr. Chalfant has visited the Siriono people several times and lived among them. He has just returned from Bolivia.

The pictures will include different phases of the life of the people in their civilized and uncivilized state.

## Rites Set to Fete Laymen

## Wayside Chapel Building Rites Planned Sunday

Ground-breaking ceremonies for the Wayside Chapel, 259th St. and Cayuga Ave., Lomita, will be held this Sunday at 10:15 a.m., with the Rev. Howard Rosine turning the first shovel of dirt.

The educational unit, to be attached to the present fellowship hall and chapel unit, will be constructed by volunteer labor from the church. A sanctuary is planned later for the 250 members.

Two ribbons will be attached to the shovel, with representatives of various departments holding them, signifying that everyone in the church is ready to work on the building. All three choirs will sing.

The unit is expected to be completed by summer or early fall.

At both 9 and 11 a.m. services, Rev. Rosine will speak on "This One Thing I Know." There will be a guest speaker at evening services at 7:30.

## Christ Jesus Is Sunday's Lesson Topic

The mission of the Master in fulfilling his life-purpose is detailed in the Sunday Lesson, Sermon on "Christ Jesus in all Churches of Christ, Scientist, Sunday.

"In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him." This verse from I John (4:9) is the Golden Text.

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "The mission of Jesus confirmed prophecy, and explained the so-called miracles of olden time as natural demonstrations of the divine power, demonstrations which were not understood. Jesus' works established his claim to the Messiahship" (p. 131).

Matthew's Gospel (4:23,24) reports that "Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom . . . and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatick, and those that had the palsy; and he healed them."

## MYF Visiting Local Youths

A visitation program will be conducted by the members of the Senior Methodist Youth Fellowship, for a week starting Monday.

Designed to acquaint other young people with activities and the program at the First Methodist Church, 1551 El Prado, a party Saturday night at 8 o'clock will climax the week's activities. All people contacted through the program will be invited.

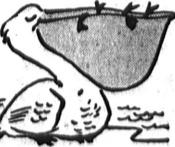

On Sunday, March 5, all new members will be guests of honor at the regular meeting.

## Easter Sunrise Rites Planned in Rose Bowl

Twenty-three committees have been appointed to handle arrangements for the expected 10,000 people who will attend the seventh annual Rose Bowl Easter sunrise service on April 10.

The interdenominational program will be broadcast on the radio.
